Woodshade Ring Leader and Woodshade C. Augusta, sired by Broadhooks Leader and both are out of daughters of Roan Pat. We present this picture of this pair of yearlings so you can see how they just keep on developing. Woodshade C. Augusta is the first heifer dropped on our farm by Broadhooks Leader. She was a member of the Champion pair at the 1946 Ohio State Fair. Note the good heads, short necks, low-set deep thick bodies.

Superb Shorthorns

Once more I have had the obligation and the pleasure of inspecting the consignments for an Auglaize County Shorthorn Breeders' Association sale. They are for the sale to be held at Wapakoneta, Ohio, April 28, 1947.

It is remarkable how consistently and presistently the breeders who are members of this Association have improved their herds and hence their sale offerings throughout the twenty-nine years that I have known them. Of course, they are not all the same breeders who formed the Association more than thirty years ago. Some have died or moved away and others have taken their places. Improvement has been manifest year after year and this year the consignments rank with the best of any state or district sale in the Country.

All of these breeders are not residents of Auglaize County. Some of them live in other Ohio counties some distance away but they have been associated with this group of breeders for years and have been regular consignors to its sales. Influenced by the group as a whole, the individual members have bought better sires, have added superior foundation cows to their herds and have produced and are producing products that can go into the best herds with profit to their owners.

A study of this catalog will show that every animal is bred from the best of Shorthorn bloodlines. The many illustrations of cattle that are to be sold and of sires in the herds of the sellers, show them to be of strictly modern type, true breed character, rich color and excellent conformation. There is a large number from which to select, many with calves at foot, and I do not hesitate to recommend to anyone in want of truly high class Shorthorns, to attend this sale and to buy.

In this sale will be found the sort of cattle upon which successful herds are built. Come to see them. You will not be disappointed.

Will Johnson of The Shorthorn World

31st Annual Sale

In this our 31st sale we will sell 71 of the best cattle sold by any association in Ohio.

Included will be 11 cows with calves at side or due to calve by sale, bred to the best bulls money could buy and good young cows.

The 28 bred heifers are especially attractive, well bred individuals and carry the service of the best bulls in western Ohio. Seldom do you find as many really good bred heifers in any sale.

As to open heifers, they will be the best of any ever sold by this association, sired by such bulls as Roan Pat, Browndale Count, Irvin Hill Collynie, Woodshade Supreme, Watt Acres Prince, Model Stamp, Commanders Robin, Conners Browndale, Watt Acre Conqueror, Commanders Baron, Edellyn Modern Mercury, Broadhooks Leader, Commanders Favorite and others equally as good. Many show prospects, just a good lot of heifers.

The bulls, several of which are pictured in the catalog, are a splendid lot of good colors, good individuals, well bred, sired by real herd bulls and out of good cows.

Every consignor to this sale has selected for his offering, cattle of which he feels proud. The kind that will improve the breed. As a whole, they are superior to any offering heretofore made. Just come and you will not be disappointed.

Mayflower 10th is a beautiful heifer of the most modern type. She is deep, thick, shortlegged with plenty of quality. This Mayflower family is one of the best producing families we have ever owned. We sold George Fisher & Sons a sister of this heifer a few years ago, and today you will find her one of their top females. Mayflower 10th is carrying the service of Conner's Keystone Ransome and the offspring of this mating should be something to look forward to.

GOLDEN OAK PRINCE PETER

Golden Oak Prince Peter is a dark red low down individual that is siring low down, good quality calves. I purchased him in the 1945 Congress sale. He was bred by C. M. Caraway and Sons, Deleon, Texas. Mr. Caraway says his dark red dam is an outstanding individual and a top producer. His sire, Prince Peter, sired five head that sold for an average of \$1640 per head in the 1945 Congress sale and Golden Oak Prince Peter was one of them. Lots 29 and 30 are bred to him.

Stamps Favorite is a dark red calf in medium flesh. He is a masculine headed calf that should develop into a very good bull. We've bred the cows on his dam's side for several generations. They have been very good milkers and always raise a good calf. If you have a color problem to solve, here is your answer.

STAMPS MERCURY 3

Here is a group of 15 calves sired by Model Stamp, the senior herd sire in the herd of Harvey Hoewischer and Son. Calves by this bull are very uniform in type.

"Bulls are plentiful, but sires are few," says Professor D. J. Kays. Stamps Mercury 2nd has the ear marks of a great sire for he is a wonderful headed calf that is low-set and thick from end to end. In addition to being a grand individual, he has a proven heritage in his dam, Edellyn Lustre Queen 5th and his sire Model Stamp. It is interesting to recall that the past two Congress Champion bulls have been out of daughters of the Perth Champion, Calrossie Mercury. We truthfully intended to keep this calf and did not have his picture taken, but along comes Bill Johnson and drafts him. We do, however, reserve the right to show him this Fall. A full brother of this calf topped the last Columbus Grove sale at \$520. Many have judged this calf a better bull.

Stamps Hilda 3rd is from a family that we recommend very highly. We've bred the dams for three or four generations. She is by Model Stamp that has made such a remarkable record in our herd, and out of a daughter of Strowan Clansman. The daughters of Strowan Clansman have nicked very well with Model Stamp. This heifer is evidence of it. She was bred Dec. 26, to Rothes Royal. Vaccinated. We regret very much that we were unable to get a picture of this heifer because she is one of the good daughters of Model Stamp.

ROTHES ROYAL

Roths Royal, one of the top sons of the great bull, Royal Roths, was recently the reserve champion bull at the Ohio State Fair. He possesses type, character and is crossing nicely on the daughters of Model Stamp. Lots 33, 34, 36, 37, 38, 39, 40 are carrying his service.

Stamps Proud Lovely 2nd is a low-set, thick, red heifer that looks like an ideal brood cow. She is a wonderful hearted heifer with a well sprung rib and a level top line. She is by Model Stamp and out of a daughter of the great Browndale Captain. This makes her line bred in the blood of one of the greatest bulls of the breed. When you add to this the service of a son of a Perth Champion you have a very valuable combination. She was bred December 13, to Roths Royal. If you'll recall, her full sister sold last spring to Hal Williams of Madera, California, at \$650. We think Stamps Proud Lovely 2nd is a better heifer. Vaccinated.

Stamps Lavender is a stylish red heifer that is nicely balanced and very symetrical in her lines. Her short legs and blocky conformation make her ideal in type. Her sire, Model Stamp, was the sire of the 1946 Auglaize Champion sale heifer, Stamps Star Hilda, that sold to Janes Farms at \$1000. She is out of one of the best daughters of the former Ohio State University sire, Strowan Clansman. We think Stamps Lavender is one of the sweetest heifers we've ever bred and therefore recommended her very highly. Vaccinated for Bangs.

Stamps Maud 3rd is of the same family as Stamps Favorite and Stamps Maud 2nd. Their grand dam was a prolific producer that worked in our herd until she was 19 years of age. Although this heifer is lacking in condition, she should make someone a very useful brood cow. Her dam is by a son of an International Grand Champion and her sire, Model Stamp, is by the Ohio Junior Champion Browndale Stamp. She carries the service of Rothes Royal since December 23. Stamps Maud 2nd is one of the best heifers in our consignment. She is a beautiful heifer with a well sprung rib covered with a thick, firm covering of mellow flesh. Her sire and dam are worthy of mention for her dam is a daughter of Strowan Clansman, a maternal brother of the great Browndale Commander, and her sire, Model Stamp, has made an enviable record in siring a group of calves that are striking in their uniformity of color and conformation. Certainly to say that she is carrying the service of Rothes Royal, a son of the Perth Champion Royal Rothes, should make her a very valuable addition to any herd. Vaccinated.

Stamps Royal Red Lady A is a broody looking red heifer with a lot of depth. She is heavy in calf to Rothes Royal, the reserve Grand Champion bull at the 1946 Ohio State Fair. A half sister of this heifer out of the same cow now has a sweet heifer calf by Rothes Royal. The few calves we have by this cross have made favorable impressions on Shorthorn breeders that have seen them. She will calve July 20. Vaccinated.

SHORTHORNS

SWEEP STEER SHOW

SHORTHORN STEERS made a clean sweep of the **GRAND AND RESERVE GRAND CHAMPIONSHIPS** over 1,425 head of all breeds at the 1946 Chicago International Livestock Show. They went on to win the champion three-steer and get-of-sire groups over all breeds for the first time in the 47-year history of the International, when one breed monopolized single and group championships. The Grand Champion later sold at a new all-time record for the Chicago International of \$10.50 a lb. to total \$14,490 to the Firestone Tire and Rubber Co., Akron, Ohio. He immediately began a 22,000 mile educational tour of the country in a \$12,000 specially constructed trailer. Watch for notice of these exhibitions in your territory. (The Shorthorn steer,

Tomahawk, was Grand Champion of the 1945 Chicago Fat Stock Show and set the then International record of \$10 a lb.)

Shown above (left) is the Grand Champion, **ROYAL JUPITER**; (right) the Reserve Grand Champion, **WYOMING CHALLENGER STANDARD**; and (below), the winning three-steer group including the reserve grand champion.

These steers demonstrate the well-established Shorthorn profit characteristics combining greater weight with modern type and choice quality conformation. The Grand Champion steer weighed 1,380 lbs. at 22 months of age. *Extra pounds produce extra profits. REMEMBER—Shorthorns, Best in Every WEIGH!*
